The textured finish of Stonclad UF can be tailored to meet your specific needs. Note that each Stonclad UF installation will have some variation in texture/finish as a result of it being a hand-troweled application. Stonclad UF requires no sealer. All color swatches shown of Stonclad UF are 'as installed' and intended for color/appearance purposes only.

Stonclad UF is offered in 10 standard colors. Color reproductions are as accurate as modern photography and quality printing methods can produce. For an actual color sample contact your Stonhard representative directly or request a sample at www.stonhard.com. © 2022 Stonhard
